FRIENDS...Good To Know

Joe Vanderwood at the yearbook party.

Friends who once walked down the school halls - added laughter to conversation, were game for anything new, and were always there willing to help. Both Joe and Blair could put a smile on your face whenever and wherever you would meet them.

Joe, who enjoyed the art of acting, participated extensively in drama. His drama class noticed his talent and voted him Best Actor. Joe spent a lot of his time riding around on his motorcycle.

Blair was frequently seen with a camera in his hand. He was able to use his interest and ability in school, working as one of the yearbook photographers. Photography had always been a great hobby, that and working on his car.

Those who knew Joe and Blair (especially the Class of '74) will always remember them as two close friends.

MIRROR photographer, Blair Jones.

Joe and Blair groove out at the Homecoming dance.

Bonnie Ward, Class of '75.

At first when I was becoming acquainted with Bonnie, my feeling about her was nothing more than a little spark of friendship.

Later on when I got to know her better, I began to see Bonnie as a rose opening up and reaching out for every drop of sunlight and rain she could get. Our friendship deepened after Bonnie got sick and had to stay in bed. When I went out to visit her, somehow it seemed as though that little spark of light between us had changed into a bright, beautiful flaming fire.

Our friendship came to an end, however, when Bonnie was called to a mission very few of us can remember - to another world, far more beautiful than ours. She left us to become one of the most precious angels in heaven.

I have thought about Bonnie often since those days. Somehow it seems as if Bonnie has not gone and that her rose, more beautiful than ever, is still reaching out for love. - by Tammy Jeppsen.

When you're down and troubled, and you need some loving care, and nothing, nothing is going right, close your eyes and think of me and soon I will be there to brighten up even your darkest night.

You just call out my name and you know wherever I am, I'll come running to see you again. Winter, spring, summer, or fall, all you have to do is call and I'll be there. You've got a friend.

If the sky above you grows dark and full of clouds, and that old north wind begins to blow, keep your head together and call my name out loud. Soon you'll hear me knocking at your door.

You just call out my name and you know wherever I am, I'll come running to see you again. Winter, spring, summer, or fall, all you have to do

is call and I'll be there.

You've got a friend.

Ain't it good to know that you've got a friend, when people can be so cold. They'll hurt you, yes, and desert you. They'll take your soul if you let them, oh, but don't you let them.

You just call out my name and you know wherever I am, I'll come running to see you again. Winter, spring, summer, or fall, all you have to do is call and I'll be there.

You've got a friend.

DANCES

At the Most Preferred Dance, students danced to the Ars Nova. During intermission, Mr. and Miss Mirror, Ken Ward and Jill Moon, and the Most Preferred Boy and Girl, Brent Jones and Nancy Smith, were honored.

After a basketball victory, the MHS students were all set to enjoy a dance to the sounds of "Witch Rock."

The Delta Chi dance, with music by the Eleventh Hour, was the last dance of the year. Delta Chi officers and the varsity and JV cheer squads joined at intermission to sing the school song.

SUMMER CLINICS

New skills were learned by 18 MHS students at various clinics and workshops held during the summer of '73. Activities included environment, music, drill team, basketball, and cheer squad. The students had fun and met new challenges.

Dennis Roe, Arne Jones, and Dick Thomas spent a week in June at the University of Idaho environmental workshop at Alpine, Wyoming.

Becky Crowther, Jill Ward, and Sherrie Sorensen (not pictured) went to BYU music clinic.

Sarah Carter and Denece Gleed were at drill team clinic at BYU.

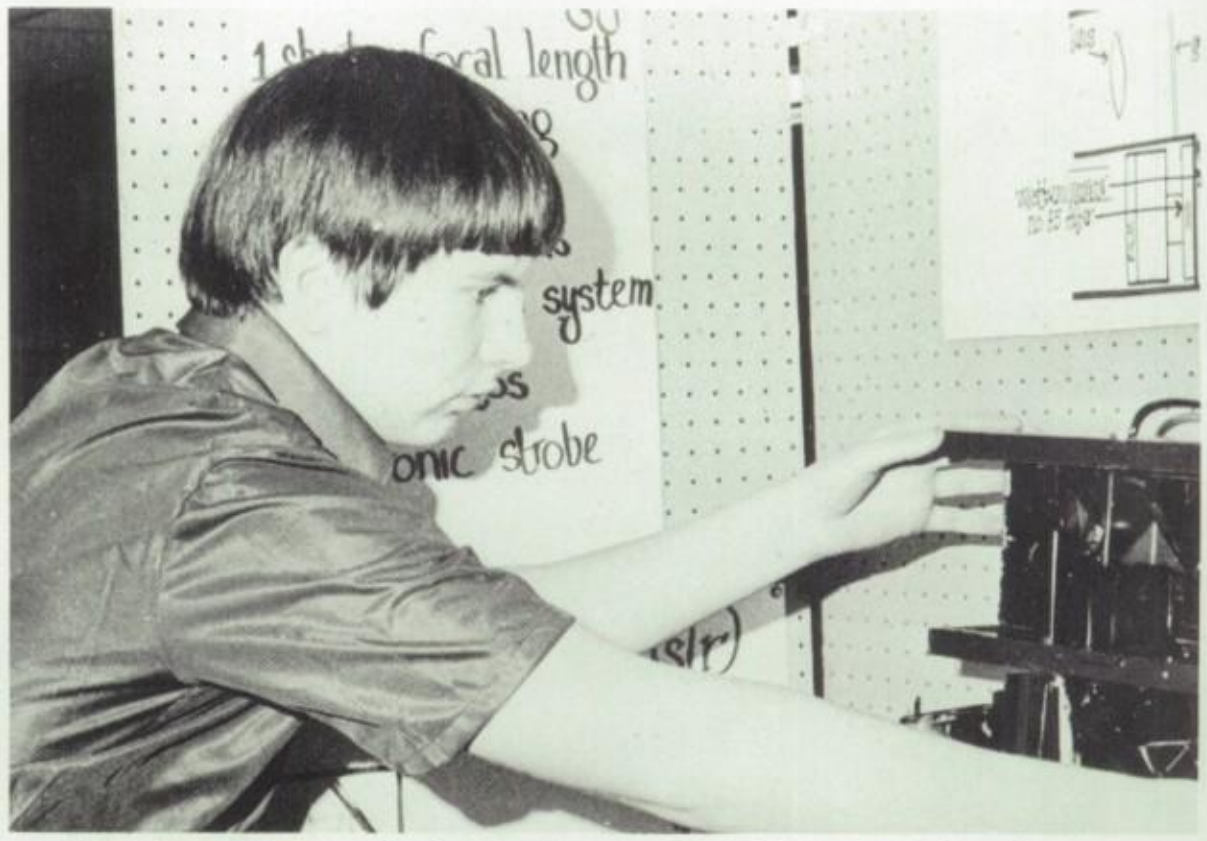
David Tovey, Scott Alder, and Lonie Alder learned new techniques at USU's basketball clinic.

At Squaw Valley the cheer squad developed their skills and gathered new ideas for skits and routines to promote school spirit.

SCIENCE FAIR

The annual Malad Science Fair was held in March. Since information had been received from Ricks College that they were not sponsoring the State Science Fair, the young scientists were unable to take their projects to another fair.

Ricks did sponsor the Ricks College Talent Search for students in grades 7-12. Instead of displaying projects, entrants submitted papers about their research.

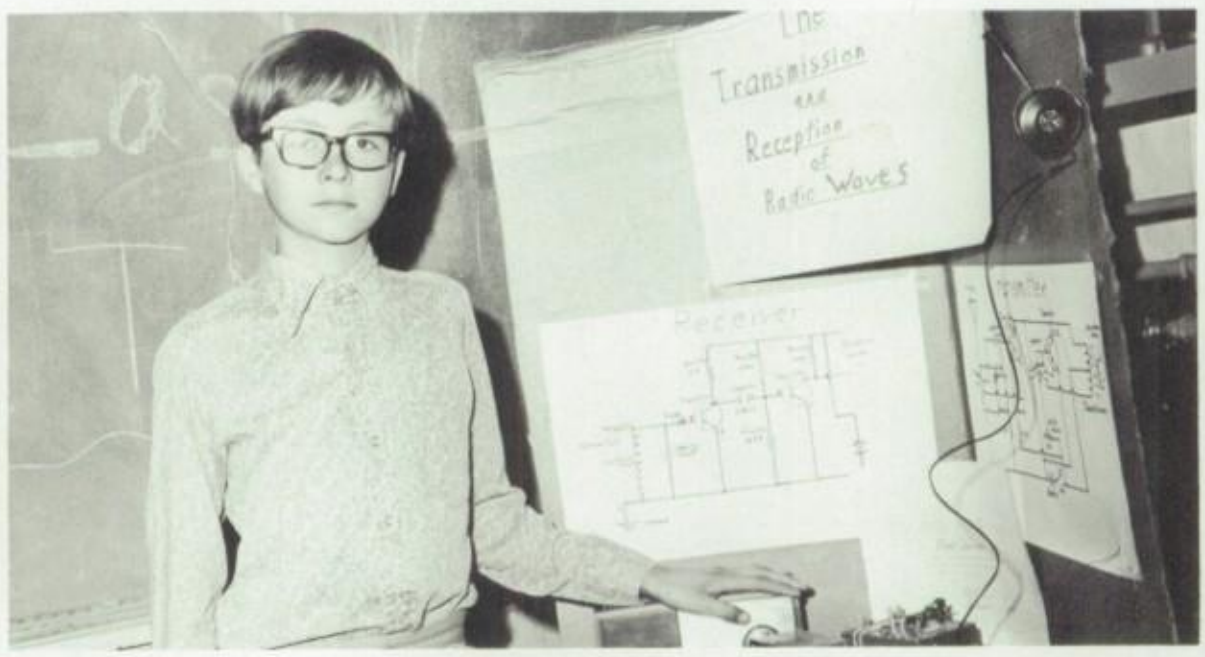


First place trophy, physical science - Dick Thomas with project on "Depth Focus Photography for Amateurs."

First place trophy, biological science - Terrel Gardner's "Feasibility of Saponin as an Insecticide."

First place trophy, junior division - Jayson Esplin with "A Nuclear Reactor Maintained by and Serviced by a Robot."

Dick Thomas received an electronic calculator for first place in the Ricks College Talent Search.



Second place trophy, junior division - Mark Jensen, "The Transmission and Reception of Radio Waves."

ASSEMBLIES

Victory for Coach Willie and the football squad was predicted at the Homecoming pep assembly.

These are beauty winners?

All arms and legs - with no coordination!

Sit-in pep assemblies in the main hall and in the gym became the "in-thing" during basketball tournaments.

Townspeople and students joined in pep rallies to cheer the basketball team on to District championship.

"Mime Is the Art of Pantomime" was a National School Assembly.

An era of Americana came to life in the portrayal of Mark Twain.

Raymond Soares, baritone, entertained the students with "Musical Portraits."

Cherie, did you enjoy Don Holland's "Around the World with Reptiles?" Sure you did! The live specimens of snakes and lizards were interesting.

Melvin looks a bit skeptical of what the Santa Claus duo - Mrs., Dale Hobson; Mr., Kelly Wakley - might do at the senior Christmas assembly.

At the Veterans' Day assembly, Dr. John Eyre said that government should be the servant, not the master, of the people.

The ISU concert band came to Malad on their annual spring tour. The conductor, Mr. Missal, introduced the first clarinetist, Jean Thomas, an MHS alum.

MUSIC CLINIC

Twenty Malad musicians went to Soda Springs for music clinic on November 9-10. Besides working to improve skills, they had fun.

Becky Crowther and Sherrie Sorensen played in the Honors Band.

Chorus - FRONT ROW: Daralis Williams, Kathy Gillies, LaReta Hess, Ginna Zivkovic, Jan Sweeten, Karalee Palmer, Barbara Napier, Valery Gardner. BACK ROW: Ann Jones, Lynn Hess, Nick Gugelman, Suzanne Spencer, Michelle Hughes, Delaine Illum, Todd Bybee, Arch Williams. NOT PICTURED: David Wharton, Brad Bowen.

CHRISTMAS CONCERT

A Christmas concert was held this year instead of a cantata. Mr. Bennett directed the band and chorus as they played and sang Christmas songs.

Two solos were presented; and a girls trio, Kirsten Allen, Jan Sweeten, Jody Jones, sang.

Brad Bowen sang "The Little Drummer Boy."

The chorus sang the joyous strains of Christmas.

This trio sang of angels.

Jill Ward played a flute solo.

MUSIC CONTEST

The brass sextet received valuable counsel from the judge.

Flute soloists - FRONT: Sherrie, Jill. BACK: Tracy, Diane.

Both the band and the chorus received a II rating at Fifth District Music Festival held at Aberdeen on April 5.

Earning a I rating on their solos were Jim Crowther, Becky Crowther, Diane Crowther, and Sherrie Sorensen. The brass sextet also received a I rating.

Solos played by Jill Ward and Tracy Bybee each received a II, as did the vocal ensemble. Jan Sweeten, Daralis Williams, and Diane Crowther each received a III on their vocal solos.

No regional festival was held this year.

"Heh, that's great; I got a I on my bass clarinet solo!"

The judge said, "A I+ - that's the best sax solo I've heard all day."

The vocal ensemble enjoyed singing.

Daralis, Jan, and Diane sang solos.

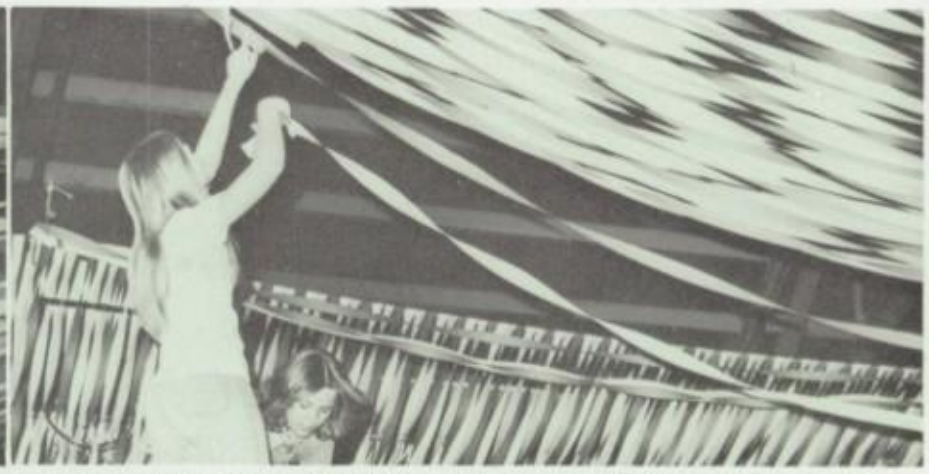
The chorus warms up before singing for the judges.

The band tunes up to Mr. Bennett's ear.

JUNIOR PROM

During intermission, Susan Ipsen, Prom co-chairman, thanked the advisors and presented gifts to them: Mr. Smith, Mrs. Davis, Mr. MacFarlane, Mr. Gillies, and Mrs. Jones. Mike Ward, class president, welcomed everyone and introduced the patrons and patronesses.

Promenaders formed a "74" and then paused to enjoy the floor show.



The members of the class of '75 knew "We May Never Pass This Way Again" as they transformed the gym from before . . . to after

Dave Jenson sang the theme song.

Juniors and seniors enjoyed their own "special dance" after promenading.

Committee Chairmen - Debra Daniels, Doug John, Jill Ward, Mike Ward, Tammy Christoffersen, David Wharton, Lori Eliason. Not pictured: Susan Ipsen, LuAnn Showell.

GRADUATION

Seniors spent a few moments together before the ceremony.

Dr. John Eyre, head of the government department at ISU, emphasized the importance of goals.

It was a time of achievement, sadness, and a time for reflection - a reflection on a long twelve years of learning and growth.

During the theme presentation, the class of '74 could picture in their minds all the experiences that had made their high school memories.

Now the time had come for them to look ahead at the next goal, remembering all the things they have learned to build a better tomorrow.

Melvin Spencer commenced the program.

Seniors listened to the speaker with the realization that the message was meant especially for them.

Valedictorians and salutatorian reminisced the past four years in the theme presentation, "The Way We Were."

With deep emotional feelings, the graduates sang their school song, "Joyous and Ever Loyal."

Valedictorians - Sarah Carter, Linda Sorensen, Denece Gleed.
Salutatorian - Melvin Spencer.

I can't believe it's finally here!

BACCALAUREATE

Seniors posed for a last high school picture.

Pres. Harris gave advice in his remarks.

Seniors began to feel like graduates at the Sunday services.

I walked today where Jesus walked . . . " sang Lorie Jenson.

"The program will continue as outlined."

"I am today what I did yesterday. I am tomorrow what I did today." On May 12 the class of '74 held Baccalaureate services, with Jim Crowther, class president, as master of ceremonies.

The '73 Dragons had a highly productive season. Besides taking the SEIC co-championship laurels, the Dragons placed five men on the SEIC All-Conference team, with two others receiving honorable mention. Three Malad players received recognition as IDAHO STATE JOURNAL'S "Prep of the Week."

Under Coaches Willie and Evans, the Dragons exhibited a well-balanced attack as they led the conference in both offensive and defensive statistics. Malad utilized the great passing of Steve Edwards and the receiving of such men as Scott Alder and Kevin Blaisdell to rack up points on the opposing teams. The tenacious Dragon defense was anchored by standouts such as Jeff Thomas, Arne Jones, Jim Grubb, and Dennis Roe. Many others also played a big part in the team's success. Rick Mertz added a new dimension to the games as a place kicker.

The Dragons warm up before a big tournament game.

Three long years of building paid off for Malad as they won their first District basketball championship since 1943.

With many seasoned veterans returning from last year's squad, Coach MacFarlane led the Dragon to the top of the District in his first year at the helm.

Going into the District tournament with a 12-8 record, the Dragons disposed of Preston and surprised favored Bear Lake in their first two games. Snake River halted the winning streak in the third game, but Malad came back to defeat Marsh Valley. Malad beat Snake River to force another game between the two teams to determine a champion. After building a big lead, Malad held on to win by a slim two points and cop the winner's trophy.

At State, Malad lost to Vallivue and Shelley and was put out of the competition.

Ken Ward was a unanimous choice for the SEIC first team; Steve Edwards was picked on the second team.

JUNIOR VARSITY

Mr. Macfarlane, coach, Tom Grubb, Tyler Swartz, Tony Gillies, John Servoss, Doug John, Craig Thompson, Lonie Alder, Joe Thomas, Mr. Evans, coach.

The JV enjoyed its most productive season in years as they played their way to a record of 19-2. Guided by Coach Evans, the young Dragons gained much-needed experience for next year's varsity competition.

They started their season with a string of six victories in a row. Following two losses, the Dragons bounced back to win their last thirteen games. The last victory over Marsh Valley earned the JV District championship trophy for the squad.

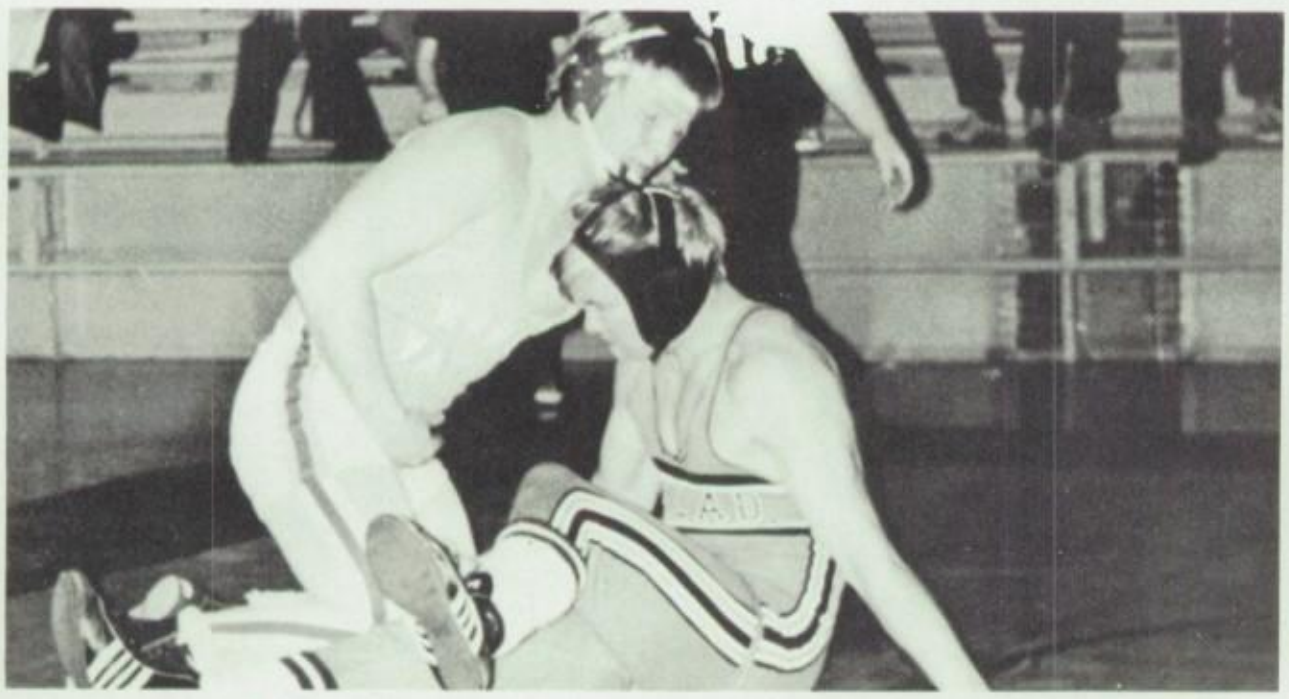
The referee signals two points for Tim Scott.

Placing second at the District wrestling tournament were Dennis Roe (188 lb.) and Arne Jones (170 lb.). Placing third were Bryan Scott (141lb.) and Tim Scott (115 lb.). All four qualified for State.



Dennis wrestled heavyweight in a home match against Marsh Valley and won by a pin.

With a season short on victories, the wrestling team still gained plenty of valuable experience. In dual matches, Malad was hampered by forfeits in some weights; and the young wrestlers were against returning lettermen.

For the first time in several years, however, four MHS wrestlers placed in the District tournament at Marsh Valley and qualified for the State tournament in Boise.

A win for Malad - David Jenkins decisioned his Soda Springs opponent.

The Dragons posted a regular season record of 5-3, losing two of those games in extra innings.

In tournament play the Malad crew found tough going against Snake River. Settling for second place, the Dragons ended the season with a 7-5 record.
